

LIGHT EMPLOYEES' ANNUAL ELECTION

J. Ainsley of Davenport Is Elected to Presidency of Tri-City Society.

SCADDING IS SECRETARY

Rock Islander Again Named to That Position—Meeting Held in Club Rooms.

Last night occurred the annual election of officers of the Tri-City Railway and Light Employees' association at their club rooms on Seventeenth street and First avenue, this city.

The following men were chosen to serve during the ensuing year: President—J. Ainsley, Davenport. Vice President—J. Sutherland, Davenport.

Secretary—J. L. Scadding, Rock Island. Treasurer—J. Normoyle, Rock Island.

Financial Secretary—W. Schwartz, Moline. Sergeant at Arms—J. Moeller, Davenport.

Nine interesting papers were read, outlining the work of the association and the responsibility of the various members.

It was decided that beginning in January and effective throughout the winter two meetings would be held each month, instead of one, as has previously been the custom.

EXPERTS TO TALK. This action was taken because of the fact that the winter is the best

season for the work of the association, whereas in the summer, the attendance at the meetings is not usually as large and the interest is not so keen.

At the first meeting, it is the plan to have various papers read, dealing with the work of the men, while at the second meeting lectures will be given by various experts, who will take up different phases of the work in which the men are engaged and untangle whatever problems they may encounter.

About 27 men were present last night and the general outlook for a successful year's work is excellent.

False Alarm Turned In.
Waiting until a Bridge line car

came along, some boys pulled the alarm box at the corner of Third avenue and Twenty-fourth street, this noon at 12:20, then jumped on the car. There is no clew as to the identity of the culprits.

The burlap around the chimney in the Mill store, on Third street and Fourth avenue, caught fire at 1:40 this afternoon, when the stove pipe became overheated. The fire department extinguished the blaze before there was much damage done.

Resolved, By Trio Lodge No. 57, A. F. and A. M.: That in the death of said brother there has passed from our midst one who had lived the years that are allotted to man; that his mature years were spent in this community and largely as a brother of this lodge, he having been raised to the sublime degree of Master Mason on the 8th day of July, 1885; that he took a large and conspicuous part in the institutional life of the city and county of Rock Island, not only in the institution of Masonry and of the church, but for a quarter of a century he was presiding judge of the county court and in the institution of our courts we recognize a constitution, under changing laws and rules, of an ancient and honorable institution; that all these things disclosing the confidence and
